COMMENTS: Waiver request was submitted by the candidate and he states his late filing was due to the fact that there was a severe snow storm which affected utility availability, water services, all roads including interstate and major US and State of Louisiana highways and postal services. Internet connections were also down in many places and without electricity even if internet was available no electricity was available to run any computer. He also states that US mail service was even shut down for most of the week.

Re: Late fee assessment for the 11/3/20 Election  
10-G Campaign Finance Report Filed 2 days  
late.

Dear Sir/Madam:

I dispute this assessment for the following reasons.

There was a severe snow storm which affected utility availability, water services, all roads including interstate and major US and State of Louisiana highways, and postal services. Internet connections were also down in many places and without electricity, even if internet was available on-line, no electricity was available to run any computer. Also, US Mail Service was even shut down for most of a week. This storm broke records for cold and snow which had been in place for a hundred years.

Please consider this request, and thanking you in advance for your prompt attention.

Sincerely,

  
Gary V. Evans
